Women in Finance is an initiative of Credit Suisse and SAMBA to bring together leading women in finance to be able to network and learn from each other in order to foster their career growth.

Our keynote speaker Dr. Nannette Hechler-Fayd'herbe, Chief Investment Officer for International Wealth Management and Global Head of Economics & Research, Credit Suisse will be discussing about Lifecycle Investing for Women.

We have included a very innovative approach of learning called Peer Coaching in this event. Our two well experienced coaches Ms. Christina Kuenzle and Ms. Sonja Robinson will be there to guide you through the sessions. Peer Coaching is an innovative system to facilitate the implementation of the solutions discussed in order to create concrete results. The case giver selects a peer to accompany him/her in the implementation of
